

To Whom It May Concern:

It is a distinct pleasure to write a letter of recommendation for Jared Estes. As soon as I read Jared's story of overcoming the obstacles associated with his accident I knew I wanted him to come speak to our student-athletes.

Jared is an enthusiastic, positive, caring, funny, and motivated individual. These characteristics were evident when he addressed our student-athletes this spring semester. He inspired our student-athletes and encouraged them to overcome their own personal challenges as he has done himself. Our student-athletes gave him a standing ovation, and many of them stayed after to speak to him.

I have received many positive reviews from our student-athletes, and a lot of them mentioned the impact his story had on them. Many of them have also reached out to him on Facebook.

To conclude, I would like to restate my strong recommendation for Mr. Jared Estes. If you have any further questions regarding his ability or this recommendation, please do not hesitate to contact me.

Sincerely,
